Article I Membership

SECTION 1. *Eligibility.* There shall be one type of membership open to all persons eighteen years of age and older who are in good standing with The American Kennel Club and who subscribe to the purposes of this Club.

Before their application can be voted upon, each applicant shall have attended at least two meetings or participated in other Club functions.

While membership is to be unrestricted as to residence, the Club's primary purpose is to be representative of the breeders and exhibitors in its immediate area.

SECTION 3. *Election to Membership.* Each applicant for membership shall apply on a form as approved by the Board of Directors and which shall provide that the applicant agrees to abide by these constitution and by-laws and the rules of The American Kennel Club. The application shall state the name, address, and occupation of the applicant and it shall carry the endorsement of two members. Accompanying the application, the prospective member shall submit dues payment for the current year.

All applications are to be filed with the Recording Secretary and each application is to be read at the first meeting of the Club following its receipt. Once the attendance requirements have been met, the application will be presented at the next Club meeting to be voted upon and affirmative votes of two-thirds (2/3) of the members present at that meeting shall be required to elect the applicant.

Applicants for membership who have been rejected by the Club may not re-apply within six months after such rejection.
